

## **Shine Herbal Hair Conditioner (all hair types)**

Hydrates and protects the hair with organic avocado and pro-vitamin B5. Promotes lustre and body with organic herbs. Naturally balances the pH with organic apple cider vinegar.

Why?

Can be applied to dry hair as an intense leave-in conditioner without weighing down the hair.

When?

After shampoo.

How?

Massage a small amount into the hair after shampooing, focusing on the ends. Leave in for as long as possible (a few minutes). Rinse with warm water.
