

Cleaning and Gardening with Miracle II

For foaming bottle add 1 part soap to 2 parts good water.

1. Light Cleaning: Use this on glass, mirrors, counter tops, stainless steel, refrigerators, fiberglass, leathers and plastic . . . 5 ml Soap to 500 ml spray bottle of water (add water very slowly).

2, Medium Cleaning: Dishes, floors, bathrooms, tile, cabinets, paneling, refrigerator, skin, carpet, spot remover, upholstery, stainless steel, fiberglass, automobile, mildew, soot on brick and stone . . . 30-40ml Soap to 500ml spray bottle of water.

3. Heavy Cleaning: Floors, grease traps, drains, pots, pans, dishes, hands, skin, ovens, glass fireplace doors, white sidewall tires, bad carpet stains, holding tanks on campers, clothes, wax stripper, steam cleaning, oil on carports, crazy glue cleanup . . . 70 ml Soap to 500 ml spray bottle of water.

Directions for Miracle II Soap and Neutralizer: For best results, use equal amounts of Soap and Neutralizer in all mixes. Spray on strong odors such as feet, skin, fish, seafood, onion, garlic, dog-cat, refrigerators, bathrooms, hunting clothes, holding tanks on bass boats and campers, odors in carpets . . . and leave it on. Or, if you have a bottle of Neutralizer, just put a sprayer onto the bottle and use directly.

Oven Cleaning: Use #3 spray bottle. Or use foam from foaming bottle. Heat oven to warm and then turn off. Spray well. Let set for 2-3 hours or overnight if possible. Just wipe away with cloth or sponge. You don't even need gloves! Can you believe cleaning an oven and getting a hand treatment at the same time?

Spot Cleaning: Use #2 spray bottle. Spray spots, brush, then towel up. If stain has been on carpet for a long time, and it will not clean up this way, spray again and lay a damp cloth on the spot and leave overnight. Spray and brush again and towel up. This will take care of 99% of your spots.

Spots on Clothes: Spray on and let stand for 2 hours before you put into washing machine. Use from ? to 30 ml of Miracle II Soap in washing machine. If the spot is on something you are wearing, spray the spot and towel off. It will not burn the skin.

Wax Stripper: Spray #3 on the dry floor. Let stand about 5 minutes. Then wet with water. Mop or use scrubber. Miracle II Soap will not harm your no wax floor shine.

Washing Clothes: Use ? to 30 ml Soap from the bottle. To deodorize and soften, add 30 ml Neutralizer from the bottle.

Gardeners: TO KILL INSECTS ON PLANTS . . . Add 5-10ml Soap to 500ml spray bottle of water or 40-60 ml Soap per gallon (4.5 ltr) of water and spray on plant.

Insects: Wasps – Roaches – Spiders – Water Bugs – Bees

Get a trigger sprayer. Put 10-20 ml Soap and fill with water. Spray insects. Everyone has reported great results. Everyone who uses Miracle II in a total cleanup said they stopped having bug problems in 30 days.

Fire Ants: Put 40 ml Concentrated Soap in one gallon (4.5 ltr) of water or use your bath water. Stir and bed up and pour the solution on them. If you will do this early and late, you will kill more of them.

Fleas and Ticks: Shampoo dog and cat with Soap and rinse. Then spray Neutralizer and let dry. You will never use anything else. It will not harm their eyes. Heals rashes and cuts on dogs, cats and horses.

Litter Box: Spray with Neutralizer. This will take the odor away.

Auto and Trucks: Use enough Soap in a bucket of water until you get good suds. It will make the paint shine. Use about 50ml from the bottle in a 10 ltr bucket.

Citric Trees Blight: Spray Neutralizer on trees. Try this on any tree, bush, flower or garden plant. Add 60ml of Neutraliser per gallon (4.5 ltr) of water, foliage feed, every 7 days for supernatural growth and production.

Miracle II Soap and Neutraliser

Testimonials: Thousands claim that Miracle II will do all these things . . .

Conversion: 1 ounce = 30ml. 1 US gallon = 3.8L
