

## **Desert Flower Shampoo (Normal to Dry Hair)**

Ultra mild for daily use. Great for babies and children! Extremely mild Yucca juice and polyglucose gently cleanse the hair. Panthenol moisturises the hair. Organic avocado oil restores lustre and hydrates dry and damaged ends. Organic herbs add sheen and body to your hair.

### Why?

You may experience a hair detox for the first few weeks if you've been using hair care with silicone derivatives. Your hair may feel knottier and dryer than usual during the detox phase. Be assured, it will improve. Clarifying Hair Rinse may assist with stripping your hair of chemical residue and Protect B5 Hair Repair will help to detangle and smooth your hair.

### When?

When necessary.

### How?

Massage a small amount onto scalp and allow shower to rinse suds through length of hair. Repeat. Second wash will lather more than the first. Follow with Shine Herbal Hair Conditioner.

### Ingredients

Organic aloe vera (aloe barbadensis) leaf juice, coco polyglucose, yucca schidigera extract, d-panthenol (pro-vitamin B5), organic sunflower (helianthus annuus) seed oil, organic avocado (persea gratissima) fruit oil, non-gmo xanthan gum, lime (citrus aurantifolia) essential oil, proprietary blend of essential oils (aroma), citric acid, organic horsetail (equisetum arvense) extract, organic nettle (urtica dioica) extract, organic burdock (arctium lappa) extract, organic rosemary (rosmarinus officinalis) extract, organic sage (salvia officinalis) extract. 75% Organic Product

### **Lemon Myrtle Shampoo (Normal to Oily Hair)**

Cleansing and purifying for normal/oily hair. A shampoo for oilier hair types, or for when you have been using a few too many styling agents! Be revitalised by the invigorating aroma of organic lemon myrtle.
